

Comment changer mon mot de passe Zimbra NG

In order to change the password of your e-mail account password, you need to **login** to your **Webmail**

<https://mailng.dfinet.ch/>

Once in the Webmail, click on the **arrow** located at the **top right** then click on "**Change password**".

Then fill in:

- **Old Password**
- **New Password**
- **Confirm the new password**

Then click "**Change Password**"

A screenshot of the Zimbra NG 'Change Password' form. The form is set against a blue background with the Zimbra logo at the top left. Below the logo is a yellow information box with an 'i' icon and the text: 'Please enter a new password and re-enter it in the confirmation field.' Below this are three input fields: 'Old Password:', 'New password:', and 'Confirm:'. Each field contains a series of dots representing masked text. At the bottom right of the form is a button labeled 'Change password', which is highlighted with a red box.

Your password **MUST** contain at least:

- ! 9 characters
- 1 capital
- 1 lowercase
- 1 special character., -_!? \$ *;: + - () / \
- 1 number
